Highway Opened At Farad After Flood Damage

Highway, Railway Traffic Halted by Slides for 14 Hours

A flash flood which poured approximately three inches of rain in the Floriston area in a period of three hours Saturday evening caused slides which buried Highway 40 under from two to ten feet of silt, rocks and trees for a distance of three miles, stopping traffic for 14 hours and halting 25 cars, caught between or in the slides.

A similar condition existed on the Southern Pacific and traffic was halted Saturday night for 12 to 14 hours.

Large crews with all available equipment were called into service and traffic over both the highway and SP was resumed at 8 o'clock Sunday morning, after being closed at 6 p.m. Saturday.

T. T. Buell, highway superintendent, said the road was completely buried in 12 places and the fountain at Farad, a familiar landmark to travelers, was under six feet of earth and debris.

The local highway crews were summoned immediately and every man was soon engaged in the gigantic task. Many went to the scene without their evening meal and Mrs. Buell and Mrs. O. G. Alexander prepared sandwiches and coffee which they took to the men who stayed on the job all night.

Traffice was routed via Lake Tahoe during the course of the clearing operations.

The highway was not damaged to any extent by the slides but repairs continued to clear the shoulders and free the lanes of the accumulation of dirt.

SALVATION ARMY FUND DRIVE HERE BEING CONDUCTED

The annual drive for funds for the Salvation Army was being conducted here this week. Unlike many other drives, the money raised here for the Salvation Army is deposited in the local account and disbursed through various channels of service, with a portion being retained to assist in meeting emergency needs in the area.

N. F. Dolley is chairman of the local committee and R. G. Elf is treasurer. Other members of the committee are Walter M. Barrett, Mrs. E. C. Bavier, Mrs. I. J. Firpo, George Kehlet, R. N. Little, E. V. O'Rourke and R. A. Scott.

Dolley pointed out that many charity solicitors give the impression of being Salvation Army workers and warned against frauds. He urges everyone contributing to ask for the solicitor's credentials which are signed by himself. Tambourine collections are not authorized by the Salvation Army, Dolley said.

Dorothy Moore Sought By Mother as Runaway

A state-wide bulletin has been broadcast to officers to be on the lookout for Dorothy Moore, 12-year-old Truckee girl and daughter of Mrs. Richard Wandslebe, who disappeared Sunday. Mrs. Wandslebe appealed to local officers to assist in the search for the girl who is classified as a runaway. She is described as 5 feet 6 inches tall, weighing 100 pounds and has long, blonde hair.

Patricia Barrett Honored On Second Birthdate

Patricia Lyn Barrett, youngest daughter of Mr. and Mrs. Douglas Barrett, observed her second birthdate on Tuesday, July 15. Those dropping in during the day to wish her a happy day and enjoy some of the green and pink birthday cake were Mrs. James Walker and children, Terry, Ronnie and Karen; Mrs. Robert Leamon and children, Barry, Marcia and Bruce, and Mr. and Mrs. Walter Barrett.

Odd Fellows Lodge Here Seats Officers

Frank A. Titus, district deputy grand master of the IOOF lodge, was installing officer when Wayne Philippi took his position as nobl grand on July 8.

Other officers seated during the ceremony were V. Salvaterra, vice grand; F. A. Titus, secretary; G. Zunino, treasurer; H. S. Eaton, G. Chas. Cozzi and John Tuohey, trustees.

State Official Here—

Jerrold L. Seawell, chairman of the state board of equalization, representing this district, was visiting in the Truckee-Tahoe area yesterday. He was accompanied by W. C. Jones of Auburn, field representative for the board.

Need For Blood Bank Is Stressed By Local Official

The mobile unit of the Sacramento Blood Bank will be in Truckee on Monday, July 21, and in Tahoe City Tuesday, July 22. This announcement was made by Mrs. T. T. Buell, chairman of the board of directors of the Tahoe Forest Hospital Blood District.

"We hope to establish a reserve fund with the Sacramento Blood Bank for the people of this area," Mrs. Buell said. "Donations can be made into this fund. The fund then stands as a bank account of blood credits. Then, when residents use blood, the families of the patients notify the chairman of the number of transfusions given and the name of the hospital. The chairman, in turn, releases, in writing, a corresponding number of credits from the fund at the Sacramento blood bank or, in other words, writes a check on the fund's bank account. Such credits are applied to the patient's account at the hospital with the result that there is no charge other than a nominal service fee of $7.50 per unit. Should the patient receive a transfusion in some other part of California the credit can be sent to the hospital through the clearing house of the California Blood Bank System."

The patient and his family are morally obligated to replace the same number of units into the reserve fund at their convenience, but the great advantage of the fund is that in times of critical illness the patient receives the blood with no delay and without the worry of finding suitable donors or the money to pay for the blood.

Those wishing to donate blood at Truckee on Monday are asked to call 111 for an appointment. The unit will be set up in the Capitol Hall and the hours are from 1 to 7:30 p.m.

Those wishing to donate at Tahoe City on Tuesday will have the opportunity to do so at the Community Hall between 9 a.m. and 2 p.m.

Certain requirements for blood donors have been set by the state board of laboratories. Some of these are for the good of the patient who recieves the blood and many are for the protection of the donor. They are as follows:

Any person in ordinarily good health between the ages of 21 and 60 years is eligible as a donor. Those between 18 and 21 years of age are accepted with the written consent of parent. However there are certain exceptions. Those persons who have ever had yellow jaundice, undulant fever, relapsing fever, heart disease, syphilis, tuberculosis or diabetes are permanently disqualified. Temporarily deferred are persons with acute colds, asthmatic or hay fever attacks within four weeks, smallpox vaccinations within a month, recent illness or operation, pregnancy within nine months and those under treatment for anemia.

It is important that a donor have no solid food, milk or cream within four hours before giving a donation. Only water, fruit juices, black coffee or tea are permissable. This restriction is due to the fact that food remaining in the blood stream frequently gives the patient receiving the transfusion a reaction, some times quite severe.

Initiation Features Meet Of Eastern Star Chapter

Initiation featured Tuesday night's meeting of Truckee Chapter No. 116, Order of Eastern Star. Following the meeting, refreshments were served in the banquet room by a committee headed by Mrs. Miriam Zwarg.

Grand Jury Selects Auditors for Records

The Oakland firm of Flegal, Fowler, Holmes and O'Sullivan has been appointed by the Nevada County grand jury to conduct the annual audit of the county books.

Four applications were considered at a meeting of the grand jury last Friday at the court house. Included among the four was Lyman Strain and Son of Sacramento, the firm which conducted the audit last year.

Last Rites Held For Vel Deaton Here On Monday

Was Long Time a Leader In Masonic Circles In Truckee

Last rites were held here Monday afternoon for Velton L. Deaton, 49, popular Truckee businessman for the past 20 years, who expired following a protracted illness at 8 a.m. Friday. Death was attributed to a heart condition.

The services were conducted by the Truckee Masonic Lodge in which the deceased had been very active for many years. He was a past master and for years served as secretary. Master Don L. Bowman and his staff of officers conducted the impressive rites at the Masonic Hall here and accompanied the body to Reno where interment was in the Masonic cemetery.

The pall bearers were H. T. Langille, A. Pace, Oscar Schumacher, Stanley Zwarg, Arthur Lawson and Charles Lyon, the latter of Reno. Mrs. Claire Ellert was organist. The Truckee Colonial Mortuary was in charge of arrangements.

Deaton, a native of Bancroft, Idaho, was born February 14, 1903. He came to Truckee many years ago and engaged in service station management before becoming associated as part owner of the Mountain-Rotary Fuel Company. He was engaged in the latter activity at the time of his untimely death.

He was also secretary of the Truckee Volunteer Fire Department for many years.

He is survived by his wife, Mrs. Edith Deaton of Truckee; three brothers, M. T. of Pocatello, Idaho; Ray of Omaha, Neb.; Joy Deaton of San Mateo; two sisters, Mrs. Marie Larsen of San Mateo and Mrs. Eggie Davis of Pocatello.

All of the brothers and sisters were here for the funeral, as were Mrs. Deaton's brother and sister-in-law, Mr. and Mrs. George Lund of Camas, Wash., and her brother-in-law and sister, Mr. and Mrs. Gordon Dunseath of Reno and her mother, Mrs. Charles S. Briggs of Oakland.

The deceased was admired and respected by a legion of friends who will join in extending sincere sympathy to his wife and other members of his family.

One-Club Golf Contest Staged by Lions Club

R. N. Little presented the first and second awards to A. M. Anderson and Angelo Besio following the one club golf games played at Lake Tahoe by the Truckee Lions Club members Wednesday.

Besio presided at the dinner meeting held at Forest Inn and the following guests were present: Jim Sherritt, Soda Springs; C. D. Schiveley, Nevada City; John May and George Bonano, Oakland.

Tahoe Rotary Hears Entertaining Program

TAHOE CITY— Tahoe Rotary Club, members and 33 visiting Rotarians and guests attended the weekly noon meeting Tuesday at Homewood Resort.

Walter Ford spoke on his 48 years as a professional entertainer, punctuating his remarks by playing on a piano. He traced his career from saloons, the river boats, through vaudeville and radio.

DARING DRIVER ELUDES POLICE

Local auhorities are puzzled over the disappearance of a driver of a 1950 Ford sedan, who secaped Patrolman Lyle Tice while the latter was attempting to stop the man for a minor traffic law infraction Tuesday afternoon.

The car, westbound, turned off the highway when the officer took after it. The driver drove over a steep embankment, circled through the woods and brush and returned to Highway 40 in the vicinity of Cisco and headed east. Constable N. F. Dolley was notified and set up a road block west of here but the vehicle failed to arrive.

Sun Beams

by Walter M. Barrett

In our opinion, the west approach to Truckee is not being enhanced by the erection of a series of billboards. We believe there is a definite place along the highways for directional or informational signs but these huge, ungainly structures, particularly on curves, are not only unsightly but could detract the attention of drivers from the road. They certainly fail to add to the appearance of the region.

The Truckee Outdoor Sportsmen have started a campaign to encourage the state fish and game authorities to continue in their tentative plan for construction of a major fish rearing establishment at Lake Tahoe. This program should have the support of not only the sportsmen of the area but every businessman and resident as well and every bit of help possible should be given through letters and petitions to the commission.

Once more we would like to call attention to local shoppers that door to door solicitors should be required to present credentials from the chamber of commerce or other recognized local authority. Too often these itinerant peddlers bilk their customers by failure to deliver or other means. If they are on the level, they will not mind procuring a suitable local credential and this should protect the buyer as well as the legitimate business people.

LOCAL BALL CLUB HAS TWO GAMES OVER WEEKEND

ROSEVILLE— The Merchants had little trouble in defeating the Truckee Mountaineers in Roseville Saturday night under the lights by a score of 12 to 4.

Friday evening Manager John Rau will take his team to Reno where they will meet the Threlkel team in a game at 8 p.m. and next Sunday they will travel to Nevada City for another Placer-Nevada League game.

At Roseville Saturday night, the Truckee pitchers held the home team to nine hits but the five errors were all costly.

The score:	R	H	E
Truckee	4	5	5
Roseville	12	9	0

Batteries: Munson, Pomin and Frates; Simon and Moreno.

In other P-N games last weekend, Placerville dumped the JACL 3 to 0, Auburn beat Colfax 9 to 5 and Lincoln eased by Nevada City 6 to 5.

Next Saturday night, the JACL plays Auburn and on Sunday it will be Roseville in Lincoln, Placerville in Colfax and Truckee at Nevada City.

Newlyweds Return Here To Establish Home

At a simple wedding ceremony performed at Reno last week Mrs. Lavina Warnack and Richard M. Wandslebe, both of Truckee, were married and have returned to continue making their home here. Wandslebe is employed at the Stockton Box Co. mill and both are well known here.

J. E. Kalers Announce Daughter's Engagement

Mr. and Mrs. J. E. Kaler have announced the engagement of their daughter, Lizbeth Jean, to Jay Francis Richeson of Sacramento. The wedding date is still indefinite. The bridegroom-elect is the son of Mr. and Mrs. W. J. Richeson of Sacramento.

The bride-to-be is a graduate of Holy Rosary Academy, Woodland; Sacramento Junior College and Sacramento State College. She was affiliated with the Newman Club and the college ski club.

Richeson was graduated from the McClatchey High School, attended Sacramento Junior College and University of San Francisco. He recently returned from army service in Korea and will leave shortly for officers' training at Fort Benning, Georgia.

Pair Escape As Service Station Man Is Slugged

Confused Culprits Take Off Without Securing Any Cash

Two well-dressed men between 20 and 30 years of age entered Hellar's Union Station at Bridge Street and Commercial Row this morning at 6:15, slugged the attendant, Chester Weyman, 27, but failed in their apparent attempt to rob the cash drawer.

Weyman told Deputy Sheriff Roy Waters and Patrolman Roy Stallard that as he opened the cash drawer he became suspicious of the pair when they edged toward him. He slammed the drawer shut just as one of them hit him on the back of the head, evidently with a blackjack or similar instrument.

Temporarily stunned, the attendant said the men became frightened and fled west in a 1949 Mercury sedan with a California license. An all-points police bulletin was broadcast after Weyman ran across the street to the M&E Cafe and called Waters.

Shell Robbery

Deputy Waters was called on Tuesday morning to investigate the robbery of Smisek Brothers Shell Station in West Truckee. Entrance was gained by breaking a rear door but nothing of value with the exception of two flashlight batteries and a can of lighter fluid was missed. It was assumed the thief was seeking cash.

Fingerprints were obtained and identification of the suspects is expected, Waters said.

$155,000 SUIT FILED BY PASSENGERS ON SNOWBOUND TRAIN

Two of the passengers marooned three days last January aboard the streamliner City of San Francisco near Donner Pass filed suit in Chicago this week for $155,000.

Isidor Deemar, 57, a real estate operator, and his wife, Sarah, 52, said they were overcome by faulty ventilation and charged the Southern Pacific Company with negligence.

Deemar claimed he suffered a permanent brain injury and asked $150,000. Another $5,000 was sought by his wife.

The suit was the first to be filed by any of the 226 passengers who were blizzard-bound aboard the crack train.

Adjustments Are Made In Garbage Take Charge

Paul Rausch, Truckee garbage collector, this week announced that an adjustment in rates for local customers are immediately effective. The usual $1.75 per month for the weekly collection of one 30-gallon can will be charged with an additional charge of 50 cents per month for each additional can or box of garbage or refuse.

TAVERN ROBBED; EMPLOYEE SOUGHT

Officers here have been notified to be on the lookout for a former employee of Rainbow Tavern who disappeared some time Tuesday night, shortly before the managers noticed the office safe had been looted of approximately $800.

The suspect, a porter at the resort, had been working only briefly at the establishment. It is presumed that he obtained the combination of the safe, broke an inner lock and escaped with the cash.

Recently a porter at Donner Summit Lodge was arrested after a similar robbery there and is being held for the crime.

Lassen Check Suspect Is Nabbed by Dolley

A man identified as Vincent Ford, 21, was being held in the Truckee jail today as a suspect wanted by Lassen County on a fictitious check charge. He was arrested by Constable N. F. Dolley.

Work Starts On New Quarantine Station For Area

Work was started this week on the new plant quarantine station to be located just west of the Truckee-Tahoe Wye. It has been variously estimated that the project will require from two to four months to complete.

The Capitol News Service of Sacramento reports that Director of Public Works Frank B. Durkee awarded the contract to Vic Martin of Pasadena, who submitted a bid of $86,390.

At the same time, the public works board approved an additional $10,616 for construction of the building which will cost $98,410. The extra funds allocated by the board were necessary, the report said, because of the increased cost of construction.

At the present time the station is located four miles east of Truckee. The new building will result in the old being abandoned and will eliminate the necessity of the Brockway station, currently being manned on the Tahoe highway two miles south of here.

LAST RITES HELD FOR YOUNG VICTIM OF TRUCKEE RIVER

The body of nine-year-old Marvin Burroughs, son of Mr. and Mrs. Willis Burroughs of Floriston, was recovered Friday from the Truckee River half a mile below where the boy fell in and drowned in a fishing accident on June 28.

Funeral services were held at the Truckee Colonial Mortuary on Sunday morning with Eugene Risden, lay minister of the Community Methodist Church, officiating. Mrs. George Kamp was at the organ. Pall bearers, all former school chums of Marvin, were Wayne, Gene and Ronnie Germain, Ray and Glenn Little and William McLean. Burial was in the Truckee cemetery.

The body was found by three friends of the dead boy who had maintained a constant vigil since the mishap.

Marvin was a native of San Francisco, born May 11, 1943. He lived at Floriston with his parents and eight-year-old brother, Willis, for the past 17 months. His father is section foreman there for the Southern Pacific, and the deceased attended the Truckee school last winter.

Marvin fell from a rock from which he was fishing with brother. Frantic efforts by the father, who was nearby, and neighbors failed to recover the body in the swift, deep water.

STATE AID POSSIBLE ON FLORISTON SPAN

NEVADA CITY— Nevada County can obtain state help in financing construction of a bridge across the Truckee River at Floriston by guaranteeing maintenance of the bridge and the road which leads from it to Highway Forty.

The board of supervisors was notified to this effect this week by Paul E. Stephenson of the state engineer's office in Sacramento.

The county would have to pay half the cost and the state would finance the other half.

Residents of Floriston, who would be served by the road, already have furnished $8,437 to the county for construction of the proposed $20,000 span. They have been without a vehicular bridge ever since high water washed out the old structure in November, 1950.

Bids Are Being Sought For Job at High School

The governing board of the Tahoe-Truckee Unified School District is asking for bids for fencing and paving the grounds at the new high school. Specifications are available for a deposit at the office of the architect, Gordon Stafford at Sacramento. Bids will be opened publicly at the office of the district superintendent, E. V. O'Rourke, at 8 p.m. August 5.

Visitor Ill—

Mr. and Mrs. J. C. Langille are visiting their son and daughter-in-law, Mr. and Mrs. Harold Langille. The former is recovering from a recent illness.

Suspect Held In Summit Slaying Refuses To Talk

Mother of Three Brutally Slain After Picnic On Saturday

Booked on suspicion of murder at Auburn—on his 29th birthday—Harlo Edward Perez of Oakland has denied knowledge of the strangulation death of Mrs. Virginia E. Culver, 37, a transient farm worker, near Cisco Grove.

The authorities are investigating whether the suspect molested Joy Culver, 4, who told police Perez threatened her and her mother with a knife.

Dr. F. Lynn Smith of Colfax, who performed the autopsy, said Ms. Culver was not raped.

Coroner Francis E. West said: "It looks like the work of a sadist."

Perez was arrested late Saturday. His overturned car was found near where the woman's partly disrobed body lay in the woods.

State Patrolmen Roy Stallard, Carroll Maynard and Martin Sturcke of Truckee were called to aid in the investigation and questioned the suspect at some length, but said he was uncommunicative.

A psychiatric examination report by Dr. Carl Jackson of DeWitt State Hospital, who examined the man, is not expected to be available until later this week.

Deputy William Bunk of Gold Run said Perez led him to the body after telling him:

"I've had an accident. I think I just killed a woman."

Clothes Torn

Mrs. Culver's clothing was torn badly and her face was buried, Bunk said, but the child beside the body apparently was unhurt.

Herschel E. Culver, the slain woman's husband, gave this version:

The couple and daughters, Marietta, 15, Georgia, 10, and Joy were hitchhiking from Oregon to Utah seeking farm work. Perez gave them a ride from Roseville and they drove to Hampshire Rocks before stopping for a picnic.

Girls Went Wading

While the two older children went wading in the Yuba River, Culver fell asleep. When the time came to leave, the wading girls had wandered out of sight, so Culver went to look for them while Perez was to drive up the highway with Mrs. Culver and Joy, watching for the girls along the road.

Instead, according to Joy's account to the police, Perez drove into the woods and attacked her mother.

Perez, questioned by Deputy District Attorney Lee Propp, claimed a memory lapse but denied the killing. Two doctors who examined him said he had not been drinking and there was no indication he had been using narcotics.

Lives with Father

Propp said Perez admitted serving a term in North Carolina for attempted rape. The man, a salesman for an Oakland firm, lives with his father, Ralph Parkinson, but the police said he borrowed the name of Perez from his grandfather with whom he lived during childhood.

In San Francisco, the grandfather, Albert Perez, was quoted as saying the younger man has "not been the same" since World War II. Perez said he is a navy veteran and was stationed at the Mare Island base.

Kishbaugh is Attending San Jose State Sessions

Lynn T. Kishbaugh of Truckee is attending San Jose State College, California's oldest and largest state college, for the summer quarter. Kishbaugh is employed in the Tahoe-Truckee Unified Schools. Last year he served as principal of the Kings Beach elementary school and this year will hold a similar position in the Truckee elementary school. Prior to going to Kings Beach, he was on the faculty at the Truckee school.

Son of Truckee Woman Dies in Industrial Tragedy

Mrs. Erman Hintz left by train Tuesday evening for Tennessee upon receipt of word that her son, Harm Still, 31, had been electrocuted in an industrial accident.

The young man, veteran of World War II and the Korean campaign, was engaged in erecting a steel structure and a tower and contacted a high-voltage wire, killing him instantly.

Beside his mother, Still leaves his wife and two children and two brothers.

At Kaler Home—

Mr. and Mrs. John Q. Finnegan and children, Ann and Robert, recently visited at the home of Mr. and Mrs. J. E. Kaler. The Finnegans reside at Quincy.

Boats Are Banned From Tahoe Beach Areas

The use of privately owned motor or sail boats in the vicinity of Baldwin Beach, Pope Beach and the El Dorado County Beach on Lake Tahoe has been banned by the army engineers.

Colonel C. C. Haug, Sacramento district engineer, stated the restriction, affecting public beaches only, was imposed at the request of El Dorado County and United States Forest Service officials.

The restricted areas, plainly marked with red and white striped pilings, extend about 200 or 300 yards off-shore.

RENO ROTARY CLUB GOLF MATCHES ON TAHOE COURSE

TAHOE CITY— Members of the Reno Rotary Club enjoyed their annual playoff Sunday at the Tahoe City golf links. Weather was good and families came along to see the fun and later enjoy a picnic lunch and refreshments at the club house after the play.

Carl Bechdolt Jr., owner of the links, donated two trophies to the winners of the day, one for low gross and one for low net.

Best score of the day was turned in by Peter Marich, pro at the Reno golf links, but as he is a professional, he was ineligible to compete for the trophy. Frank Morrill won low gross score with a 76 to cop the trophy and his son Dick Morrill was a close second with 77. Low net went to Bill Avery of Reno whose 83, minus a 23 handicap, gave him a net 61 and the trophy. Second place winner was Hap Albers of Reno with an 86 and 20 handicap for a net of 66.

Winning ladies of the day were Mrs. Frank Morrill with a low gross of 110, while Mrs. Francis Hughes' 112 low gross, minus a 35 handicap, gave her a 77 net score.

Bob Stoddard, announcer at KATO in Reno, was master of ceremonies and awarded the trophies.

Jayne Shontz Honoree On 5th Birthdate

TAHOE CITY— Little Jayne Shontz, daughter of Mr. and Mrs. Jay Shontz of Tahoe City, turned five on Monday and was honored by her mother and a group of small friends at a birthday party. The yongsters swam in plastic pools for an hour or more, then hiked over to the Tahoe Lake school grounds across the street where a picnic was enjoyed, with a beautiful birthday cake and refreshments.

Those attending included Danell Pomin, Jimmie and Julianne Bechdolt, Sandra Fellows, Sandra and Stephanie Snyder, Bonnie Burnham, Karen Henry, Duane Pomin, Bonnie Boyce and the honoree's small brother, Bro.

Mammoth Aerial Fish Plant This Year

SAN FRANCISCO— When the California department of fish and game winds up its current trout aerial planting program in August, more than 2,600,000 fingerlings will have been dropped in remote mountain lakes.

The intense six-week planting schedule calls for the dropping of fish in 610 lakes between Sequoia National Park and the Oregon line. Most of this year's aerial plant will be eastern brook trout, with a few waters marked to receive rainbows.

The summer planting program was delayed this year because many waters at higher elevations were iced over following record winter snowfalls.

PART OF ONE DAY'S SUPPLY OF TIRES AND WHEELS—At an Army repair shop in Japan acres of heavy automobile tires are used in rehabilitating military vehicles which had been abandoned after World War II. These were collected from the Philippines, Guam, Okinawa and other Pacific islands where they had been assembled for a possible invasion of Japan in 1945. The pile pictured here represents the number required for one day's production of 2½-ton trucks. (Department of Defense photo).

NORTH TAHOE

by THELMA BURROUGHS

North Tahoe Fire Control Commissioners held their first official meeting at the North Tahoe Public Utility District offices in Kings Beach Tuesday night, July 15. Officers elected for the ensuing year are P. M. Burroughs, chairman; Rube Welch, treasurer; Max Krueger, secretary. The four-wheeled drive Dodge power wagon Fire Unit No. 1, according to latest information, will be ready for delivery July 21.

Norman King walked in on his delightfully surprised parents, Dot and Bert King of Kings Beach, last Saturday morning about breakfast time, having caught a ride over from Carson City to the lake, after leaving the bus there following his long ride up from San Diego where he left his ship to spend a leave at home.

The Cliff Kilfoyls of Santa Cruz are the proud owners of a new trailer which is serving as their accommodations for Lake Tahoe vacationing this year. Cliff and Edith with their daughter Nancy have vacationed at the lake for the past several years.

The Bert Kings have purchased the big two story home next to the Richfield station at the foot of Brockway Hill and will be ready to take possession within the week.

Mr. and Mrs. Frank Paoli and their small daughter, Jeanette, are vacationing at North Tahoe this week. Paoli is supervisor for the 4th district of Placer County.

If he P. M. Burroughs look older this week, it's because Preston Jr. and his wife of Fallon made the old folks grandparents again at 1:30 p.m. July 12 when their tiniest daughter arrived at a Fallon hospital.

That bright neon sign in front of Andy Sorensen's home reading "Sorensen's Cottages" is a mighty welcome improvement at Tahoe Vista.

Beachcombers Expands Dining Facilities

KINGS BEACH— M. J. Leipertz has enlarged his popular Beachcombers to nearly double last season's capacity and is now able to seat comfortably 75 guests as well as providing a spacious cocktail lounge.

Leipertz has also opened the Kon Tiki at Bal Bijou where Polynesian foods are being served.

The Village Corner at Kings Beach features a fountain and here patrons may procure the much sought after Beachcomber pastries. Unique and flavorful dishes have long popularized the Beachcombers where Leipertz is chef.

Tahoe Vacationer Victim Of Heart Attack

TAHOE CITY— Marion Aronholt, 52, of Oakland, who had been vacationing at Homewood, was rushed to the Tahoe Tavern office of Dr. C. B. Pedersen late on the night of July 5, suffering with a heart attack. He was removed to the hospital at Truckee.

He remained there a week and eventually developed complications which paralyzed one side of his body. He passed away at the hospital at 2:30 a.m. July 12. He is survived by his widow.

The Truckee Colonial Mortuary shipped the body to Oakland for burial.

Kings Beach Man Hurt In Blow-Out Accident

CRYSTAL BAY— Jasper Thorburn of Kings Beach suffered cuts and bruises when his coupe went out of control early Sunday morning and left the road.

Thorburn told officers a tire had blown out, causing him to lose control of the vehicle. It swerved from the road onto the highway shoulder, struck a rock, knocking the front wheels out of line.

Thorburn had recovered his car only the day before when a man arrested in Sparks on a driving charge was released to Reno authorities and charged with embezzlement of the vehicle.

L. A. Couple United By Judge Charrison

KINGS BEACH— Morris Chernoff and Nettie Labinger of Los Angeles were married at the office of Judge Harry Charrison in Kings Beach on Monday, July 14. The happy couple are honeymooning at Kings Beach before returning to Los Angeles, where they will make their home.

TAHOE BRIEFS

Guests from Stockton now at Schlueters' Cottages in Tahoe Park are Mr. and Mrs. William Wetzel and Mr. and Mrs. J. W. Holland. James Smith, ex-mayor of Oakland, and his wife are also vacationing at Schlueters. Mr. and Mrs. Earl Frasier of Oakland were guests of Mrs. Fern Schlueter over Saturday and Sunday.

Mr. and Mrs. C. D. Bouton of Woodland are enjoying a vacation at their summer home in Timberland. In for a stay at their Timberland Tract home are Mrs. Lou Kennedy Jr. of Portland, Ore., and son Jimmie.

Mrs. Emil Kraft of Woodland and three of her grandchildren are now at Timberland.

Guests over the past weekend at the home of Mr. and Mrs. William Bechdolt of Tahoe City were Mrs. Bechdolt's brother, Tom O'Laughlin and Miss Dotty Henry of Pasadena. Present guests include her sister, Mrs. Pat Marsh of Pasadena, and children Brian and Tommy, who will remain for a two week vacation. Mr. and Mrs. Jack O'Laughlin of Pasadena and children Sharon, Mary and Margaret spent the weekend at the Bechdolt home. The latter family is on its way to Oregon for a vacation.

Miss Karen Henry of Tahoe City, daughter of Mr. and Mrs. Al Henry Jr., was a guest of Mr. and Mrs. Jack Stranathan of Auburn last week. Mrs. Stranathan returned her young guest home last Thursday, remaining to visit overnight.

Mr. and Mrs. James Baker of Tahoe City motored to Reno Sunday to pick up her father, Richard Leuschner of Merced, who arrived by plane at Reno airport for a brief visit with them at their home in Tahoe City.

Mr. and Mrs. Emil Sattler of Sacramento returned to Tahoe City on July 3. Sattler is carrying his right arm in a sling, having sprained the shoulder while working.

Mrs. William Reinhardt wrote from her home at San Marino that her Brockway home is being opened this week.

A. M. Henry of Tahoe City parked his car on a Reno street, opened the door on the street side and the door was taken off by a passing delivery truck, driven by C .C. Coluskie of Reno.

Good Home Life Basis For Civilization

THE HOME is the basis of civilization. It is the rock bottom upon which the social edifice rests. Whatever weakens the home, undermines society and brings a nation to spiritual and moral decay.

He who would strengthen a nation had best begin at home. The home is the basic unit of society, the foundation of civilization, and the place where all reform to be effective must begin.

The home which will render the greatest contribution to the moral and spiritual welfare of the individual, to the prosperity and happiness of the nation, and to the stabilization of the peace of the world is the home in which God reigns.

Those who guide the destinies of peoples and nations can plan no worth-while world if they ignore the authority of God and deny Him His place in all phases of human activity . . . in education, society, economic life, and in the home.

I CALL UPON my fellow countrymen of all faiths, Protestants, Jews, Catholics, inviting all believers in a Supreme Being to stand shoulder to shoulder in the vitally important task of building homes in which God reigns, and in which His law is the code of the individual and social conduct of its members.

The home is the first and the most important school. The mother has been constituted by God as the first and the most effective teacher.

Like soft wax the mind of a child receives impressions with ease. It is these first impressions which sink the deepest and remain the longest.

THAT IS WHY no professional teacher can ever be a proper substitute for the home as a training school for the young. The most that these persons and agencies can do is to supplement the work of the mother in her home.

If the training is neglected by the mother, then no human agency is capable of repairing the loss. It is final and irreparable.

THE HOME is the ideal training school also because example is a more powerful teacher than precept. The example of the parents the child drinks in with every breath. It is this example which influences the child and makes him responsive or unresponsive to the ideal of living for God and Country.

To the educators, statesmen, and social planners who are searching for an answer to the ills that beset our land, we say: Put God into the homes of America.

To the fathers and mothers who are groping for the path to enduring peace and love and happiness, we say:

"PUT GOD into your home and keep Him there—and all will be well with you and with America."—by Rev. John A. O'Brien, University of Notre Dame.

† Paulist Information Service, Washington, D. C.

$795 STOLE STOLEN FROM TAHOE SHOP IN DAYLIGHT HOURS

CRYSTAL BAY— With the thermometer around in the 90's last week, somebody still had nerve enough to steal an expensive fur scarf from a Crystal Bay shop at Lake Tahoe.

Washoe County sheriff's officers were notifide that the piece, a mink stole valued at $795, was removed from the shop some time between 10 a.m. and 1 p.m. July 8.

The thief, apparently, simply walked to the back of the store, removed the stole from a dummy and carried it out. It is doubtful, however, that the thief wore the fur.

Nevada dedicated its first tree farm in 1951.

WILL OPEN BIDS ON AUG. 15 FOR BONDS TO FINANCE SEWER

TAHOE CITY— C. W. Vernon of Tahoe City announces a Tahoe City Public Utility District directors meeting was held at his home Saturday afternoon, during which a resolution was passed calling for bids on the $97,000 general obligation bonds recenlty voted by the electors of the district at a special election. The money will be used for installing a vitally needed sewage system at Tahoe City.

Beside Vernon, directors are N. R. Mayfield and E. H. Pomin.

Bids will be opened at Vernon's office at 11 a.m. August 15. Vernon reports inquiries regarding the bonds have been received from as far away as St. Paul and Cincinnati.

The U. S. General Land Office was established in 1812 .

Seven Mountain Lions In May's Predator Bag

SAN FRANCISCO— Hunter-trappers employed by the California department of fish and game removed a total of 630 predatory animals during the month of May, of which seven were mountain lions.

Three of the big cats were taken in Monterey County, two in Kern County and one each in Mono and ColusaCounties. A total of 162 coyotes and 148 wildcats were bagged.

What it takes to find oil for you

Not too long ago, within the memory of living men, exploration for new petroleum deposits here in the West was a matter of discovering oil seeps or drilling on "hunch." But even hunches had a reasonable chance of success. Although methods were primitive, the early Western fields were brought into production at a cost which nowadays would seem extremely low.

It's not so easy today. Most of the easily discoverable deposits have been found. But Standard geologists, using seismograph and the latest electronic methods, are combing every promising part of America, from Louisiana swamps to the Arctic Circle . . . and many foreign countries as well. ¶ As oil has become more difficult and expensive to produce, your demand has become greater. More and more of the good things in your life depend on petroleum for fuel, or lubrication, or their actual ingredients. ¶ To do its share in the great new search for oil, Standard alone has spent more than $230,000,000 in the last 5 years. Result: U.S. companies altogether have found enough untapped petroleum to give this country its highest oil reserve in history—four times greater than that of 30 years ago. ¶ Geologists estimate that there are still 1500 billion barrels of undiscovered oil in the earth. Standard Oil Company of California does everything possible in large scale exploration to increase available reserves.

STANDARD OIL COMPANY OF CALIFORNIA *plans ahead to serve you better*

4,000 Watch Dollar Win Tahoe Championship Race

TAHOE CITY— July 13th will always represent bad luck for William Stead of Reno, member of the Tahoe Yacht Club, and his 850 HP hydroplane motored racer The Fury, who came to grief on Sunday just before the start of the club's annual regatta at Chambers' Lodge.

Stead was making his initial trial run on the course around 9:30 a.m. about half a mile from the judges' stand at a speed reported by Fred Hallett, one of the officia timers, at around 100 miles per hour when the boat struck the rough wake left by a crossing outboard. The Fury turned a flip into the air, throwing Stead out with such a terrific force that his life belt was literally torn from him.

Nearby spectators rushed to his rescue, one man jumping in to swim to his side, while Charles Mapes of Reno, standing by in the Gloria M, rushed to his rescue, lifting the unconscious man from the water into his boat. He was rushed to the judges' stand where Dr. C. B. Pedersen of Tahoe, a spectator, rendered first aid and placed the injured man in the Tahoe City ambulance which had been summoned. Oxygen was administered en route to a Reno hospital. He was placed in an oxygen tent upon arrival.

Dr. Pedersen said injuries included several contusions of the right shoulder and chest, a possible fractured shoulder blade, broken ribs and possible internal injuries. It was the only accident to mar the otherwise perfect day. Approximately 4,000 persons were reported in attendance and weather was excellent.

Racing results were:

130 HP; Al Steltzner, East Bay, in Raha, 1st; Merle Wilbur's Tony J, 2nd; Jay Murphy, Piedmont, in Muvalong, 3rd.

165 HP: George Besotes' Star Dust, 1st; Charles Mapes, Reno, in Gloria M, 2nd; Bob Alexander's Kaikoo Ike, 3rd.

Childrens' Outboard 10 HP: Pat Patterson, 1st; Marshall Kraus, 2nd; George Hickingbotham, 3rd.

5½ HP class: Mickey Washburn, 1st; Ni Orsi, Sacramento, 2nd; Diana Meek, Tahoe and Piedmont, 3rd.

325 HP class: Henry Kaiser's Lemme Go First, 1st; William Oliver's Hey There V, 2nd; Commodore Rudolph Zimmerman's Zim-A-Ru, 3rd.

Ladies championship: Mrs. Dan Best, Woodland, in Bee Bee, 1st; Miss Gloria Mapes, Reno, in Gloria M, 2nd; Ann Young in Alexander's Kaikoo Ike, 3rd.

The Lake Tahoe Championship free-for-all, the feature race of the day, went to R. Stanley Dollar Jr. in his Short Snort, entered for the first time in official competition. It is equipped with a special hydroplane hull and 1500 HP Allison engine. Although Dollar battled rough wateh all the way and had a bit of trouble on the turns, he made up for lost time on the straight-away and nosed out Henry Kaiser's Fleur du Lac to take first place on the last lap, giving the spectators one of the best races they have seen in years. Max Collins, Kaiser's mechanic, piloted the second placer. Third place went to Glenn Price of Stockton in High Voltage III.

The winning relay team consisted of Stan Davis, Bob Alexander and Bill Oliver. The famous "bang and go back" contest went to Wells Watkins of Reno, 2nd to Roger Murphy of Piedmont and 3rd to Allen Pollock, Sacramento.

The new commodore, who succeeds Rudolph Zimmerman, in office for the past two years, is George Lewis. Randy Walker is vice commodore; Brad Baruh, rear commodore and Ollie Meek, port captain. E. L. Oliver remains as secretary-treasurer. The new commodore has not yet announced his selection of a regatta committee. John Dicks remains as assistant secretary.

In New Mexico 34.6 million acres of land are federally owned.

BOARD REFUSES TO CUT ASSESSMENT ON BEACH AT TAHOE

AUBURN— The Placer County board of supervisors, sitting as a board of equalization, declined to cancel an assessment levied on a privately owned Lake Tahoe beach but indicated it may do so if trustees or real owners will deed it to the county and make it a public beach.

Leonard White and H. M. Goddard, who described themselves as holding in trust the Lake Tahoe Park beach for a large group of summer residents, asked for the cancellation. They said they could not collect it from the real owners, who bought lots in the subdivision and for whom the beach is reserved.

The beach and improvements are assessed at $3,440. The propriety of the assessment was not questioned by the petitioners.

Supervisors William Haines of Auburn and L. L. Anderson of Foresthill suggested they deed it to the county. White and Goddard indicated this would be difficult because owners are scattered through several states.

Carl H. McPhee protested the current assessment on the property he owns at Tahoe Vista and discussed a refund voted him by the board of supervisors on a previous error.

He was advised his only recourse is to mandamus the county auditor W. R. Stephens, who refused to honor the warrant calling for the refund.

The board is sitting each Monday during July to ajudicate assessment problems raised by taxpayers.

Tallest Buildings

The seven tallest buildings in the United States are in New York City.

Notice To Taxpayers

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California, will sit as a Board of Equalization on Monday, July 7th; Monday July 14th; and Monday July 21st, 1952, for the purpose of equalizing the asssessment rolls of the County of Nevada.

NOTICE IS HEREBY FURTHER GIVEN that any taxpayer of said County of Nevada who desires to file any objection to his assessment as made by the County Asssessor, may appear before said Board of Supervisors on any of the above dates, between the hours of 10 o'clock A. M. and 5 o'clock P.M., and present his objections. If no person appears and objects to said assessment, said assessment will remain the same as set forth in full on the rolls of Nevada County as prepared by the said County Assessor.

Tahoe Letter

Tahoe City, July 13

Dear Tahoeites:

Today was indeed unlucky for popular Bill Stead, Reno businessman, who was so critically injured this morning (Sunday) when his boat, The Fury, overturned at Chambers' Lodge just before the start of the Tahoe Yacht Club's annual regatta. Details of the story appear elsewhere in the Sun but friends are concerned deeply tonight as reports indicate his condition is extremely serious. He is in an oxygen tent and his injuries are extensive. His many friends and fellow members of the yacht club are praying for his speedy and complete recovery.

Forgot last week to comment on the marvelous fireworks which lit up the lake after dark on the Fourth. The Lewis Marstens of Sunnyside were among those who entertained a group of friends at their lakeshore home with a large display of the most beautiful after-dark creations. I hear through the grapevine that Harold's Club of Reno is planning on sponsoring a grand display here next year and every year from then on. A more beautiful sight could not be imagined than the breaking of those brilliantly colored sky rockets over the clear lake waters, where they are reflected as in a mirror.

Had a welcome call from my old friend, Mrs. Alice Brown of Tahoe Pines, who informs me she has converted the old post office there into a souvenir and gift shop.

There is general jubilation at the reappearance of the sturdy and speedy cruiser "Tahoe," owned and operated by Bud Scott from Tahoe Tavern. This 43-foot cruiser with its 650 HP Hall-Scott Defender motor was clocked on trial runs on Lake Washington last year, before arriving at Tahoe, at 43 knots an hour, about 48 MPH. It is leaving the tavern now daily at 2 p.m. for the run to Emerald Bay, 48 miles round trip, with stops at Emerald Bay and Homewood. At 9:30 each Tuesday, Thursday and Saturday morning she leaves for the round-the-lake tour of 72 miles, following the route of the famous old steamer "Tahoe," returning here at 1:30 p.m. Large crowds have been enjoying the regular runs, with a number of special night chartered trips made to southend resorts. Mrs. Patti Scott entertained a number of her local friends with a boat ride to Emerald Bay last Thursday, the group including Mrs. Jay Shontz and children Jayne and Bro, Mrs. Bob Pomin and children Randy, Danny, Duane and Dorothy, Mrs. Jean Henry and children Karen and Gary, Sandra Fellows and Bruce and Edward B. Scott II.

Tickets are now on sale at local business houses in Tahoe City for the big Country Carnival and Dance being sponsored by the Lake Tahoe Ski Club, assisted by other local clubs, to be held in town on August 29. Mrs. Carl Bechdolt Sr. is chairman of the ticket sale.

Mr. and Mrs. Bud Scott of Tahoe City observed a wedding anniversary July 11.

Mrs. Imon Mitchell of Sunnyside and small son Dale left Tahoe for Sutter last Thursday for a visit. She was suffering with a bad toothache and planned to see her dentist while there.

A bit of damage was done by a lightning storm which struck Tahoe City last Saturday afternoon around 3:10 p.m. A large tree just notrh of the Tahoe Community building was struck by lightning which sent the bark flying into the air and left a long circling gouge in the tree's trunk from the top to the bottom but did not set it afire. At Henry's Garage at the same time the electric meter was blown out, even though encased in a conduit.

Mrs. Sally Pyle, daughter of the Charles Crosses of Tahoe City and wife of Cpl. Howard Pyle, now stationed near Wellington, England, is finding life in the "old country" quite different than in America. The Pyles and little son, Gregory, are occupying a small apartment and "sharing" a bathroom and kitchen, which is a little difficult to get used to after having had a nice comfortable home of their own. The Pyles are hoping they may be able to rent an apartment of their own in the not too distant future, but living quarters are assigned first to those having the largest families. Sally and the baby had a marvelous trip over and are hoping their inconvenience will be only a temporary matter.

Constable Harry Johanson was called upon on July 2 to aid in finding nine-year-old Hazel Walters of Burbank, who wandered away from her folks while they were busy fishing in the Truckee River. The constable found the little girl hiking along the Truckee River highway on her way to the family's holiday camp site. She was unworried and unaware of the concern she had caused.

Leave you for the week and trust this finds one and all on top of the world. As ever, Swanee.

U.N. Tests Millions of Children for TB

This boy from Lucknow, India, is the seven millionth child to be tested for tuberculosis in the BCG campaign which the United Nations International Children's Emergency Fund (UNICEF) and the World Health Organization (WHO), are assisting in India. Thus far nearly 2,500,000 children have been vaccinated. By the end of 1953 it is hoped that there will be 100 teams working in all of India's 26 states. Pulmonary TB is one of India's worst health problems.

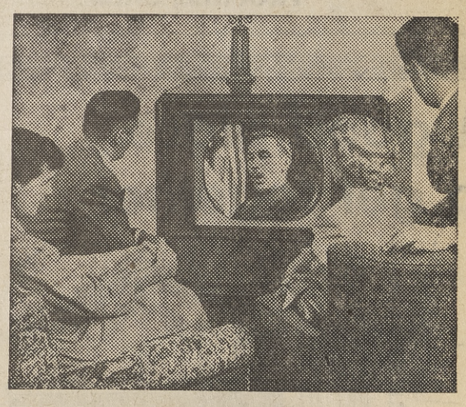
New radio relay to Seattle extends coast-to-coast telecasts to all the West in time for the conventions.

"Live" TV now spans the West

New radio relay brings convention telecasts to all West Coast viewers

On July 7th, the Bell System's radio relay system and coaxial cables enabled the TV networks to bring the Republican Convention to the nation's television viewers—who will also see the Democratic Convention on July 21st. It is now possible for all West Coast TV stations—from San Diego to Seattle—to carry these important national events as they happen. To accomplish this, Pacific Telephone engineers made special changes in the coaxial cable between Sacramento and Portland. They also rushed the installation of a new radio relay link from Portland to Seattle so both could be used together for the transmission of television network programs over this 745 mile route.



With the completion of Pacific Telephone's newest radio relay facilities, 99% of the nation's television viewers can be reached by network programs—making it possible for any event of national significance to be flashed visually across the nation in a fraction of a second. Telephone calls too, are carried by radio relay. Later this year, for example, the Pacific Northwest radio relay link will carry 132 simultaneous "through" calls—but that's only a fraction of its ultimate capacity. Important for convenience and entertainment, the radio relay system is even more important today when the telephone is hard at its biggest job—keeping America strong.

Your telephone is one of today's best bargains

The nationwide radio relay system is only one example of how we are constantly improving telephone service while holding the cost of service down—keeping it so low, in fact, that a telephone call remains one of today's best buys in any budget—your home's or your nation's.

Pacific Telephone

Nevada 4-H Encampment Will Open Soon at Tahoe

The Nevada 4-H Club camp at Lake Tahoe will open its gates to approximately 500 rural boys and girls from every section of the Silver State for nearly two weeks, beginning July 28, according to Paul L. Maloney, camp director.

Two separate camp periods will be held at the 4-H grounds on Lake Tahoe, located between State Line and Elk Point. A senior camp for club members from 14 to 18 years of age will be held from July 28 to August 2. Junior campers, age 11 to 14, will have the Nevada 4-H Club grounds from August 5 to 8, Maloney said.

Theme for this year's camp will be "Grasp Your Opportunties" and will be highlighted by an address to Nevada 4-H youth by Dean C. B. Hucthison, newly appointed director of the Nevada extension service. Held each year for 4-H members who have successfully completed their work projects for the current year, the encampment is the highlight of the year's 4-H activities.

The Nevada 4-H Club camp grounds have been greatly improved during the past spring with the addition of six permanent cottages which will take the place of pyramidal tents. Extensive damage was done to the camp by heavy snows this past winter but damage has been repaired and new buildings constructed. The new buildings will house most of the girls and women leaders attending the camp, Maloney said.

Improvements and buildings were made fro mfunds received from camp rentals, the director stated. More permanent sleeping quarters are planned and will be available for both boys and girls. Used army tents have been the housing facilities provided in the past but will be replaced as soon as is possible.

The camp is truly "democracy in action" as the entire organization is under the direction of a council composed of three mmebers elect-from each county sending representatives to the Tahoe camp. This council, through their own constitution and by-laws and under the direction of a president, operate the camp, Maloney stated. They make their own rules and regulations and enforce them through the jury system.

"It's surprising how few infractions there are when youngsters make and abide by their own rules as members of the camp organization," Maloney said.

OUR DEMOCRACY——by Mat

PLATFORMS and CANDIDATES

FROM ALL STATES IN THE UNION, MEN AFFILIATED WITH OUR TWO MAJOR POLITICAL PARTIES WILL BE HEADING SHORTLY FOR CHICAGO FOR THE NOMINATING CONVENTIONS THAT ARE PART OF OUR ELECTORAL PROCESS. ALL AMERICA LOVES A BIG SHOW—*AND THESE WILL BE BIG SHOWS.*

BUT MORE IMPORTANT, OUT OF THE SHOUTING AND THE TUMULT, THERE WILL EMERGE THE CANDIDATES AND THE PLATFORMS ON WHICH THEY WILL GO BEFORE THE PEOPLE. THE ISSUES WILL BE JOINED. EVERY CITIZEN WILL HAVE FULL OPPORTUNITY TO FORM HIS OWN CONVICTIONS — AND A SOLEMN RESPONSIBILITY TO VOTE THOSE CONVICTIONS ON ELECTION DAY.

BE SURE TO VOTE THIS YEAR.

TITLE SUIT IS FILED TO SETTLE MIX-UP OVER BIJOU ROAD

PLACERVILLE— Bijou Park Properties Inc. has filed suit against El Dorado County and 20 Doe defendants, seeking to quiet title to a piece of property at the north end of Bijou Park Boulevard, Lake Tahoe.

The action, filed in the superior court, is another development following hearings held before the board of supervisors several months ago relative to the proposed abandonment of the property in question.

The question of title arose in circumstances which began in 1927 when the plaintiff dedicated Bijou Park Boulevard to the county. John E. Keller, the donor, was reported as under the impression the boulevard ended at Recreation Beach at a line running parallel to the lake front.

However, maps show the boulevard ended in a diagonal line which left a triangle on which ownership appeared to be in question.

The apparent cloud was revealed in a title search when Keller undertook to sell the beach to John P. Seagrave and in an effort to clear the title, Keller sought to have the county abandon the piece in question. Following hearings, the board of supervisors denied the petition for abandonment.

Stop Sign Violators Are Find by Judge Vernon

TAHOE CITY— A number of citations are being handed out to motorists who are failing to heed newly installed boulevard stop signs on Tahoe's highways.

Kay Lewis of Newcastle paid a fine of $5 in the court of Judge C. W. Vernon of Tahoe City, as did Sidney Lewis of Sacramento. Myrtle McKevitt, San Francisco, was fined $40 for passing a stop sign and speeding through at 25 miles an hour zone at 45. Franklin Spickard, Sacramento, paid a $25 for speeding. State Patrolman Wm. Gautsche cited the latter and the rest of the tickets were written by Patrolman Tom Sheehan.

Judge Vernon also placed a teenaged Truckee boy on six months probation with a proviso that he report to the local court monthly. He was charged with reckless driving, he car running off the highway and hitting a tree, bringing minor injuries to his companions.

Callender's Round Up Party Successful

HOMEWOOD— "Round Up Night" at Callender's Lodge last Saturday night was a huge success, with a large crowd on hand to participate, according to Ben Callender, host.

The horseshoe nail guessing contest was won by Helen Smith of Homewood. Judged as having the most appropriate costumes were Barbara Ivey of May-ah-Mee and Don Siemons of Meeks Bay. The next party at Callender's will be "South Pacific Night" Saturday, July 26.

NOTICE TO CONTRACTORS

Notice is hereby given that the Tahoe-Truckee Unified School District, Counties of Placer and Nevada, State of California, hereinafter referred to as the "Owner" will receive up to, but not later than 8:00 P.M. on the 5th day of August, 1952, sealed bids for the award of a Contract or Contracts for paving and fencing to be installed on the grounds of the Tahoe-Truckee High School located on U.S. Highway No. 40, Nevada County, California. Such bids shall be received at the office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40, near Truckee, California, and shall be opened and publicly read aloud at the above stated time and place.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft	Hourly Wage Rate	Per Diem Rate	Legal Holidays and Overtime
Carpenters - LAKE TAHOE AREA	2.64	21.12	**
Cement Finishers	2.42	19.36	*
Laborers - General	1.70	13.60	
Asphalt Plant Engineer	2.52	20.16	***
Power Grader, Power Planer, Motor Patrol or any type Power Blade	2.68	21.44	***
LeTourneau Pulls (Jeeps, Terra Cobras, LaPlant Choate, and similar types of equipment	2.68	21.44	***
Tractors	2.52	20.16	***

OVERTIME: Saturdays, Sundays and Holidays — double time unless otherwise shown.

* For the first two hours after the regular work day, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday, Sunday or Holidays shall be paid for at the rate of double time.

** For the first four hours after the regular work day, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday, Sunday or Holidays shall be paid for at the rate of double time.

*** Time and one-half for all overtime except Sundays and Holidays which is double the straight time rate.

Each bid must conform to the requirements of the Plans and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the office of the Architect, Gordon Stafford, 1024½ Jay Street, Sacramento, California, upon the deposit of $25.00 per set, which deposit will be refunded on return of such copies within 10 days after the bids are opened.

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashiers check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the bidders.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and-or waive any irregularities or informalities in the bidding.

Dated this 14th day of July, 1952.

Notice of Intention to Engage in The Sale of Alcoholic Beverages

July 9, 1952

To Whom it May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows: Hwy. 40, Soda Springs, Nevada County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licences) for these premises as follows: ON SALE BEER

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

RAYMOND J. SORANI

SUMMIT SCENE

by FRAN COUILLARD

Another social function has just gon down in the annals as the Soda Springs Hotel employees straighten up their domain after a first anniversary party, complete with popping champagne corks, a marvelous buffet dinner and all the trimmings. A great number of guests attended to congratulate Brant and Doris Chaplin on their first year of successful operation.

The recent Republican convention activities were delightfully brought into the vision of we isolated mountain folk when Jack Woodard announced that his television set was in operation and actually worked. We believe we were the first to trek to Donner Ski Ranch to witness the political pageant and, whilst Jack kept his fingers crossed as a thunder shower ripped across the mountain, we relaxed. After said shower Jack stated that his 27 lengths of antenna were "thumb tacked near the 8000 foot airplane beacon" that throws its guiding light over the tip-top of the Sierra, and that his boosters were "merely sitting on rocks." This installation, we understand, is the most easterly in northern California and while Rancho Sierra and Lake View Lodge at Emigrant Gap have recent installations, it had been conceded that the pinnacles and high reaching fingers of the Sierra precluded any idea that television might be brought in from San Francisco. This new and difficult installation has brought hope to a great many mountaineers who hunger and thirst for this newest method of communication. Jack extends an invitation to every one to witness the forthcoming Democratic conclave. News of the installation brought many from Reno and Truckee to also sit and see.

The Donner Summit American Legion Post picked one of the recent days for a picnic at glorious Ice Lakes, which is now open. The picnic is an annual for Legionnaires and their families. Incidentally, comes report of pretty fine fishing at Ice Lakes and we've witnessed a couple of good catches.

Lola Montez Lakes, still quite inaccessible due to high snow banks that block the trail and the young river that also crosses same have given a few limits thus far to the intrepid who trek northward and back. One yearly fishing pilgrim who casts from his particular mountain shrine, which is Cascade Lake, states that he caught a limit of beauties a few days ago and that surgical investigation disclosed black wood ants. Kidd Lake, another hidden charmer in these hills, is supposed to have quite a cache of speckled beauties churning its waters. The good old Yuba River entices a great number of fishermen these days and if you don't believe it cast your eyes downward from the bridge below the dam at Lake Van Norden, for a veritable school of more than fingerlings frolic in the shade.

Quite a few ins and outs.

Outs, at this writing, are the William Parrotts of the Snow Lab. Bill dropped Gloria and the two babies off in Oregon, en route to Chicago himself. They expect to be gone for a month.

Out also is the Nordstrom family, Margot and her three. Understand that a month in San Francisco visiting relatives will be their vacation this year. Out of the area is Day Tschopp and her two, also in San Francisco and relatives entertained.

In are practically all Cedar and Kingvale summer residents. This influx means that summer must be here, despite last Sunday's cloudburst where an inch of rain fell in less than an hour.

The Brant Chaplins ready their Rainbow cabin for daughter, son-in-law and granddaughter who drive into mountain coolness from Knights Landing to spend a little time. A new addition is being built to the Bill Gray cabin but this does not stop Evelyn and the youngsters from enjoying a summer in the mountains.

Camp Pahatsi bristles with youngsters from the Auburn area. Sunday was the day of registration and the area's greeting to the young people was the cloudburst we mentioned above. Roads into that area were rutted by the downpour and parents who brought their offspring to camp had to be towed out of the various mires and bogs in which they found their vehicles mired. The downpour found Gladys Buek in the middle of Donner Lake and she confesses the experience wasn't too pleasant, although rumor hath it that the precipitation wasn't as great in that area as it was on this mountain top. The Martinez Girl Scouts, encamped at Big Bend for the past couple of weeks, made their hegira just ahead of the downpour. In our ten years of residence in this area, we have never seen such a downfall of water and hail. Each hotel parking area was a mass of cars whose occupants pulled up their windows and trembled as the lightning and thunder put on a celebration such as the oldest inhabitant has never seen.

The Mercury Ski Club members of San Jose, whose cabin flattened neatly from last winter's snows, were in, working like beavers to build another cabin when the downpour caught them. Bewildered, they are beginning to wonder if the elements are directed directly against them!

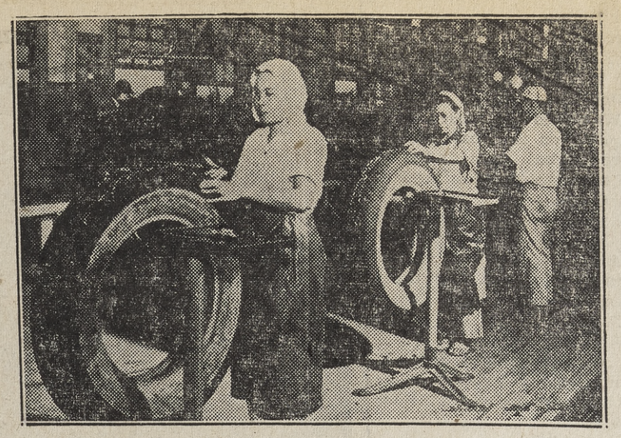
The Nolan Marions of Soda Springs (Marion is foreman of the signal gang stationed at Soda Springs for the summer) joyfully welcome Nolan Jr. at this time. He has just finished a four year hitch in the Marines.

Barbara and Bud Zorich are definitely in at the present for they have just purchased the Dr. Henry Garland home at Soda Springs and are frantically busy painting and redecorating the beautiful mountain home that they now call their own. In a period of five years the Zorichs have moved five times in the area, so needless to say that now that their roots have really taken hold, they can't wait to get definitely settled. Barbara's folks, the Tom Burkes of Plymouth, come up for a few days to lend the kids a helping hand.

At the Chaplin's anniversary party we saw Stan and Madylon Walton who came up to celebrate in their old stamping grounds.

A note from Bill and Rita Vail finds them in Honolulu, Bill being back with the Navy again. On the day of their arrival on the Pacific paradise, Bill was stricken with appendicitis and had to be rushed to the Marine Hospital. Doing fine, Rita reports.

The Donner "U.S. 40" Chamber of Commerce board of directors get underway as their charter is being prepared. Members of the new chamber are already hard at work on summer promotional stuff at this writing, with the first project being the announcement that the Soda Springs Ski Corporation plans on operating its chair lift each weekend for visitors.



JAPANESE WOMEN RENOVATE TIRES FOR U.S. ARMY VEHICLES —In the ordnance plant at Yokohama native women have been trained in preparing heavy tires for rebuilding for further use by the Armed Forces. More than 55,000 vehicles have been collected for rehabilitation and are being made serviceable at a saving of millions of dollars for American taxpayers. (Department of Defense photo).

TAHOE WEATHER

TAHOE CITY— The lake level Monday morning stood at 6228.58, according to A. E. Frodenberg, official weather observer here.

Daily high and low temperatures for the week preceding were July 7th: 79, 44; 8th: 82, 45; 9th: 79, 48; 10th: 67, 52; 11th: 75, 39; 12th: 67, 42; 13th: 71, 45; 14th: low 44. Slightly over .74 of an inch precipitation was recorded during the week.

AT BROCKWAY HOTEL

TAHOE CITY— Deputy Sheriff Charles A. Swanson of Tahoe City is on night duty at Brockway Hotel Resort this summer and will remain there for the rest of the summer. Swanson and H. E. (Pappy) Brooks of Kings Beach have patroled the highways around the Placer County area of the lake over the past four years.

AID TO NEEDY AGED IN THIS COUNTY IS LEVELING OFF

Aged aid cases and costs in Nevada County and throughout California were relatively static during the 1951-52 fiscal year, California Taxpayers Association said.

In the county, aged aid cases numbered 904 people in May, 1952, compared with 896 for July, 1951, the first month of the fiscal year, and 904 for January, 1952.

Payments to the needy aged in the county amounted to $58,003 for May, 1952, compared with $58,657 for July, 1951, and $58,383 for January, 1952.

Statewide, there were 273,092 people receiving aid as needy aged in May, 1952, compared with 274,271 for July, 1951, and 274,149 for January, 1952. Aid paid to the needy aged in California totalled $18,096,393 for May, 1952, compared with $18,355,704 for July, 1951, and $18,229,328 for January, 1952.

TB Ass'n Officials Visit Tahoe to Outline Plans

A group of ladies from the Placer County Tuberculosis and Health Association made a trip to Lake Tahoe on Wednesday to make arrangements for the free chest x-ray survey to be held August 20 and 21 in Tahoe City and Kings Beach. Mrs. Marie Henry is in charge of arrangements at Tahoe City and Mrs. Alice Sorensen is manager in Kings Beach.

Posters will appear shortly giving time and place where the mobile unit may be found. This free service is made possible by the annual sale of Christmas Seals.

The ladies who made the trip from Auburn were Bettie Gould, president; Mrs. Ann Eib, Mrs. Leona Leak and Mrs. Veta E. Owen, executive secretary.

Birthdate—
Mrs. Claude Harrison observed her birthdate last week.

Officer Here—
Patrolman and Mrs. Irving Elliott of Roseville are vacationing on the Truckee River.

Wakefield Ill—
Al Wakefield was absent from his position on first base for the Truckee baseball team as the result of a severe attack of measles.

Mahne Guests—
Houseguests of Mr. and Mrs. Anton Mahne last week were Mr. and Mrs. Jack Lustrick of Los Angeles, Mr. and Mrs. John Clark and Miss Barbara Smith of Sacramento.

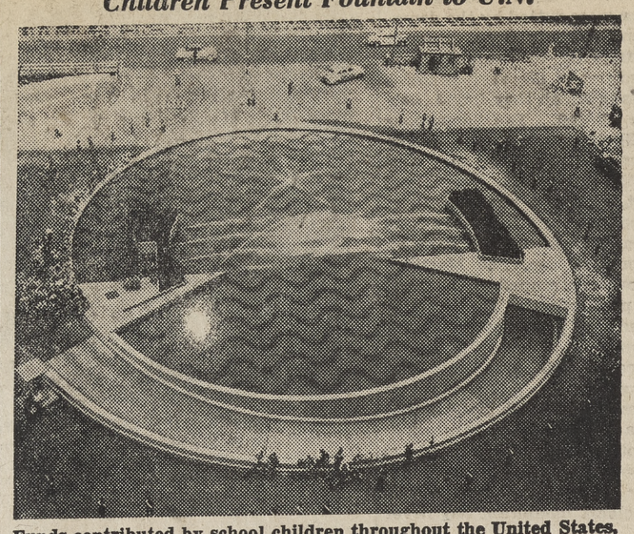
License to Wed—
Will G. Hanlon and Iona E. Schuber, both of Truckee, were issued a license to wed at Reno this week.

Anniversary Time—
Mr. and Mrs. James Leamon celebrated their wedding anniversary on July 15. The couple had as their guests this week Mr. and Mrs. Fred Oetjen of Mountain View, parents of Mrs. Leamon.

From Capital—
Mr. and Mrs. Geno Giovannoni visited friends and relatives here during the last weekend from their Sacramento home.

Titus Guests—
Mr. and Mrs. F. A. Titus had as their guests last week Mesdames O. N. Hirst, James Wilson of Sacramento and Mrs. Sadie Cottrell of Daly City.

Children Present Fountain to U.N.



Funds contributed by school children throughout the United States, Alaska, Hawaii, Puerto Rico and the Virgin Islands paid for this beautiful fountain in the plaza in front of the United Nations Secretariat Building. The highlight of the presentation made on June 26 was the unveiling of a plaque which notes that the gift was made as a gesture of friendship to children over the world and as a reminder of hope for peace through the United Nations.

To Roseville—
Mrs. Edith Fay, who has been here for several weeks, has returned to Roseville.

Deputy Visits—
Deputy Sheriff Frank Gallino was up from Nevada City this week.

Business in Truckee—
Mrs. Raymond Sorani of Soda Springs was a Truckee business visitor Monday.

On Ranch—
J. E. Joerger has come up from Shingle to spend the summer on his cattle ranch here.

San Francisco Visitors—
Mr. and Mrs. J. W. Patton and children, Frank and Shirley, were visitors in San Francisco over the weekend.

Kings to Upper Lake—
Mr. and Mrs. C. P. King have gone to Upper Lake, Calif.

McIVER CURVE IS AGAIN SCENE OF MULTIPLE MISHAP

Within 100 feet of where a head-on automobile collision snuffed out soldiers and critically injured four the lives of two Beale Air Force others on the morning of the Fourth, three people were injured Monday night in a similar mishap.

Hans Christian Egsgaard, 32, Tahoe City, employed at the Stockton Box Company mill near here, has chest injuries and Warren Oak Kerr, 40, and Priscilla Wagoner, 86, both of Los Angeles, had lesser hurts when cars driven by the two men collided just west of the James McIver home on Highway 40.

A third car, operated by Florence Hill, Salem, Oregon, was involved in the collision but the occupants were not injured. State Patrolman Carroll Maynard cited Kerr for driving without due caution, not having his vehicle under control and being on the wrong side of the highway.

Maynard said his investigation showed Kerr's car dropped off the pavement onto the shoulder of the highway as he was going west. He swerved back on the pavement and apparently lost control. The vehicle clipped the Hill car and continued on to strike Egsgaard's 1928 Model A Ford headon.

The injured were removed to the Tahoe Forest Hospital by the Truckee ambulance.

Motorcycle Crash
James Wilford Palmer, 22, of Kings Beach had only minor injuries when his motorcycle plunged off an embankment on the Tahoe-Truckee highway into the Truckee River. The mishap occurred within 150 yards of the home of Patrolman Maynard, who made the investigation, cited the driver and took him to the hospital for treatment.

State Line Crash
Two people were critically hurt near the state line Sunday evening when cars driven by Bunt E. Cohn, 56, San Francisco, and Arlo Gene Briggs, 20, Reno collided headon.

Mr. and Mrs. Cohn were taken to a Reno hospital in critical condition and Briggs was treated for minor injuries.

State Patrolman Roy Stallard cited Briggs for making a bad pass and being on the wrong side of the highway.

REBEKAHS WILL HONOR DIGNITARY

Naomi Rebekah Lodge held a regular meeting on July 9 with Noble Grand Pearl Heller presiding.

Arrangements were discussed for the dinner party to be held prior to the meeting of July 23. Sange's was chosen for the affair, which will honor Margaret Doolin, district deputy president. Following the dinner, Mrs. Doolin will make her official visit to the local lodge.

All members are urged to attend the meeting. Those wishing to make reservations for the dinner can do so by contacting Alice McGee, committee chairman, or Lucille Bick, no later than Monday, July 21.

FOR SALE— 1947 Dodge civilian Power Wagon. Equipped with winch and boom. 17,000 miles. Excellent condition. For information write H. Stoudinger, 3649 Granzotto, Concord, Calif.

Youths Held in Theft Of Vending Machines

AUBURN— Two 17-year-old Loomis youths were turned over to the Nevada County authorities after Placer officers say they admitted the theft of a truck belonging to the Allied Music Company containing $1,600 worth of vending machines.

The officers picked up the boys in a truck reported as stolen from near Soda Springs. The vending machines were found by an orchardist near Penryn, a few miles from the spot where the boys were arrested.

Vacation Ending—
Mr. and Mrs. Carl Smith, who are leaving Donner Lake for San Francisco this weekend, had as their guest Mrs. A. Foster.

Marriage License—
Robert N. Hackett and Ruth E. Landers, both of Truckee, were issued a Reno marriage license last weekend.

Here from Stockton—
J. Homer Alleman of Stockton is a houseguest this week of Mr. and Mrs. W. M. Barrett.

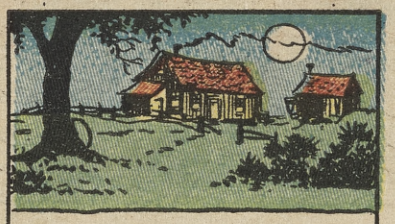
ABBIE an' SLATS by
RAEBURN VAN BUREN
THIS IS THE LATEST O' THE MICKEY SPILLGORE, PRIVATE EYE, MURDER MYSTERIES!! THERE AIN'T NO PRIVATE EYE IN BUSINESS THAT CAN SOLVE A MYSTERY LIKE (CHUCKLE) MICKEY SPILLGORE!
MURDER MYSTERY

"MICKEY TIGHTENED THE BELT OF HIS SOILED TRENCH COAT AND FELT THE REASSURING BULK OF HIS .38 IN HIS POCKET. HE WALKED SLOWLY OVER TO HIS SECRETARY, DELLA BELLA, AND BROUGHT THE FLAT OF HIS HAND ACROSS HER SMILING FACE. "HI, BABY", HE MUTTERED--- "GONNA KISS ME?"

DELLA CONTINUED SMILING. NOISELESSLY, THE DOOR OF THE OFFICE OPENED AND AN OBVIOUSLY EXPENSIVE FUR COAT WAS THUDDED TO THE FLOOR. MICKEY LEANED DOWN OVER THE COAT-HIS FACE WHITE AS A MASK. "IT'S DEAD!" HE WHISPERED GRIMLY---



DELLA SMILED PALELY--- "MINKS ARE ALWAYS DEAD BEFORE THEY ARE MADE INTO FUR COATS!" MICKEY TURNED AND FACED HER, A SNARL OF HATE CREASING HIS TANNED FACE. "SURE, MINKS ARE DEAD--- BUT HOW ABOUT DAMES THAT WEAR 'EM?"

Tm. Reg. U. S. Pat. Off.—All rights reserved
Copr. 1952 by United Feature Syndicate, Inc.

A BULLET CRASHED THROUGH THE WINDOW AND WHINED INTO THE WALL AN INCH OVER MICKEY'S HEAD. THE ACE PRIVATE EYE LEAPED TO HIS FEET AND BEGAN PUMPING BULLETS INTO THE CLOSET NEXT TO HIS DESK. "COME OUT, YOU RAT!" HE HISSED. THE DOOR OPENED AND A GROTESQUE FIGURE EMERGED!

"THE SLOB!" DELLA WAILED! THE SLOB GRINNED HIS EVIL GRIN. "DEAD MEN," HE GRUNTED "TELL NO TALES"--"YEAH," WHISPERED MICKEY SPILLGORE, "BUT I AIN'T DEAD." A FUSILLADE OF .45'S SPLATTERED INTO MICKEY'S BODY. "NOT YET---BUT SOON," THE SLOB CHUCKLED, AS HE TOSSED THE EMPTY AUTOMATIC INTO THE BASKET AND DISAPPEARED NOISELESSLY THROUGH THE WINDOW.

DELLA LEANED OVER THE PROSTRATE FIGURE OF THE FAMOUS PRIVATE EYE. HE OPENED HIS EYES AND SMILED WEAKLY. "MISSED ME," HE GROANED---"HELP ME TO MY FEET---THOSE .45'S SHAKE UP A MAN SOME."

AS MICKEY STRUGGLED TO HIS FEET DELLA SCREAMED. HISSING AT THEIR FEET WAS A GIANT COBRA, POISED TO STRIKE---AT THE SAME TIME A DULL PLOP CAME FROM THE WASHROOM---AND THE ACRID FUMES OF A BOMB SOON PERMEATED THE TINY OFFICE. "THEY'RE TRYING TO MURDER YOU!" SHE GASPED! "SMART KID," MICKEY GROWLED--

LATER--
IF I DON'T GET MY MITTS ON THE NEXT INSTALLMENT, I'M DUE FER THIRTY SLEEPLESS NIGHTS!!
MURDER MYSTERY MAGAZ
TO BE CONTINUED---

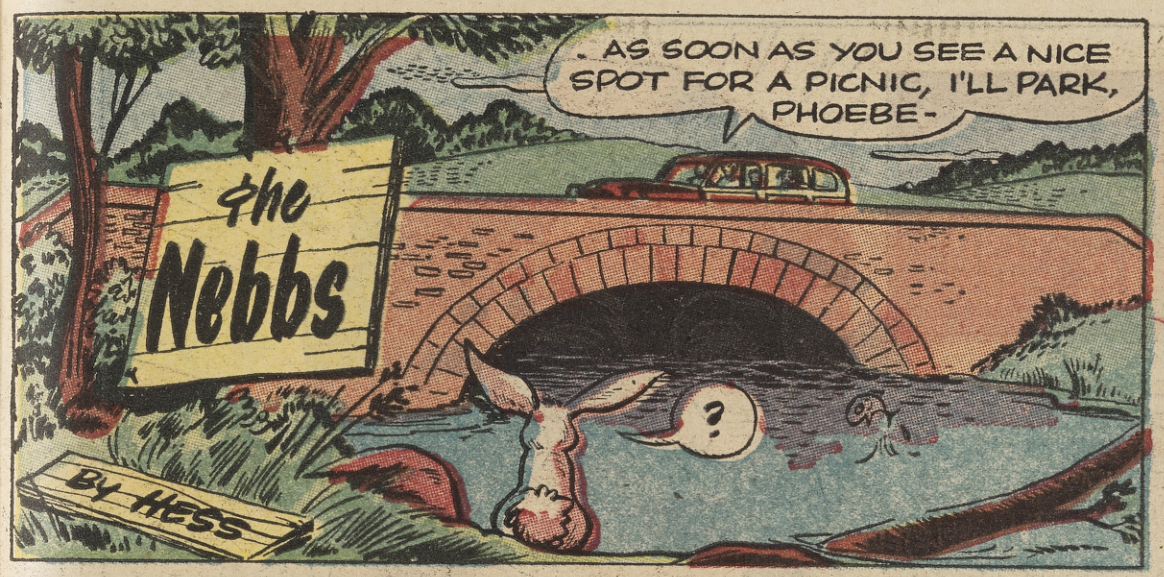
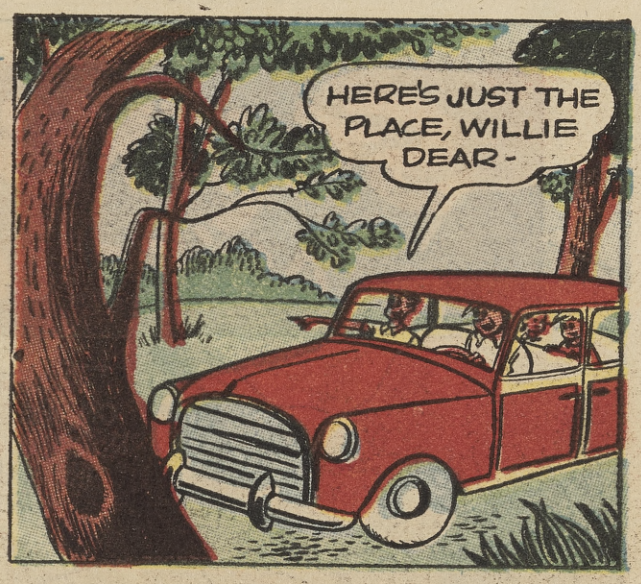
!

THAT'S IT!

JULY-20-

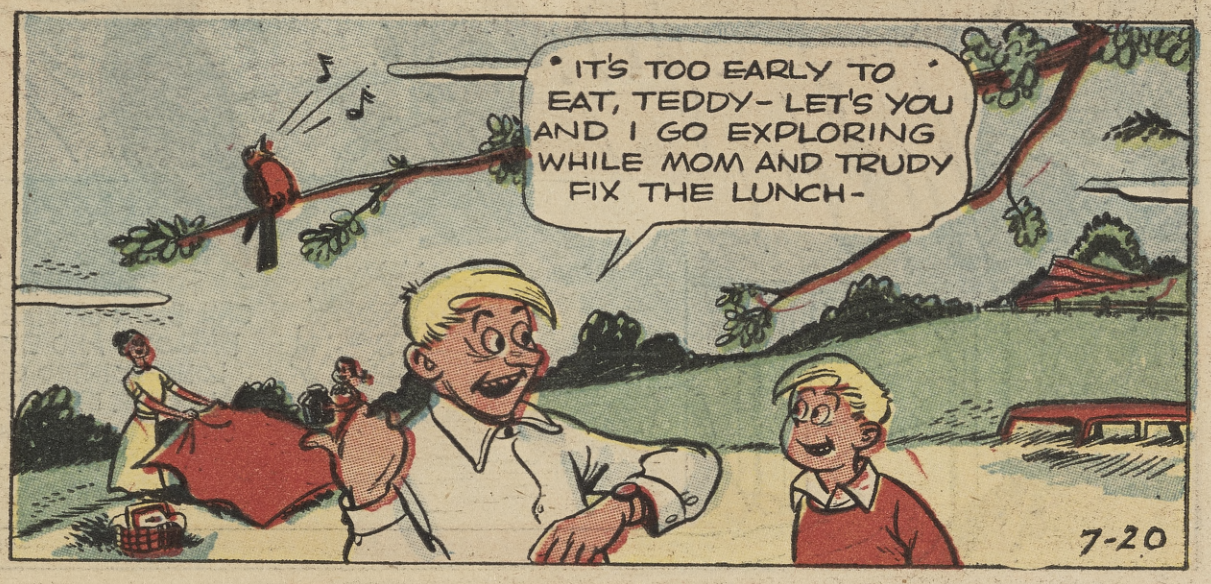


. AS SOON AS YOU SEE A NICE SPOT FOR A PICNIC, I'LL PARK, PHOEBE-
the Nebbs
By HESS
?



HERE'S JUST THE PLACE, WILLIE DEAR-

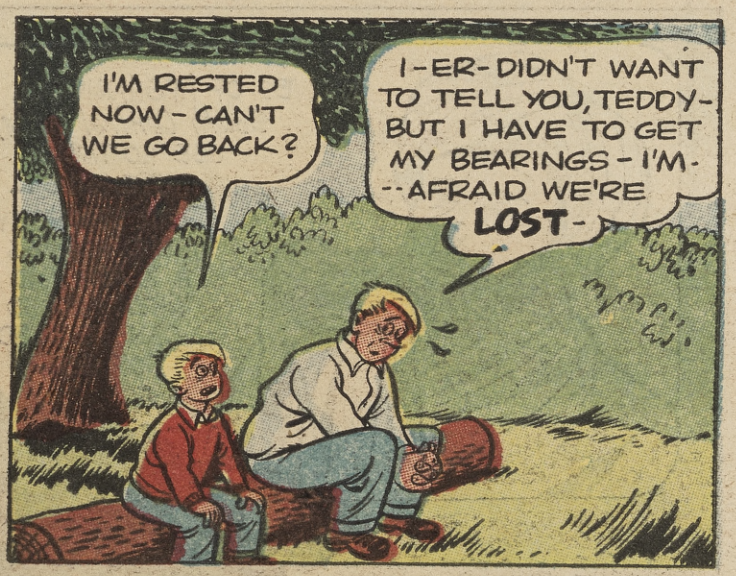
GEE-I'M HUNGRY ALREADY!



IT'S TOO EARLY TO EAT, TEDDY- LET'S YOU AND I GO EXPLORING WHILE MOM AND TRUDY FIX THE LUNCH-
7-20

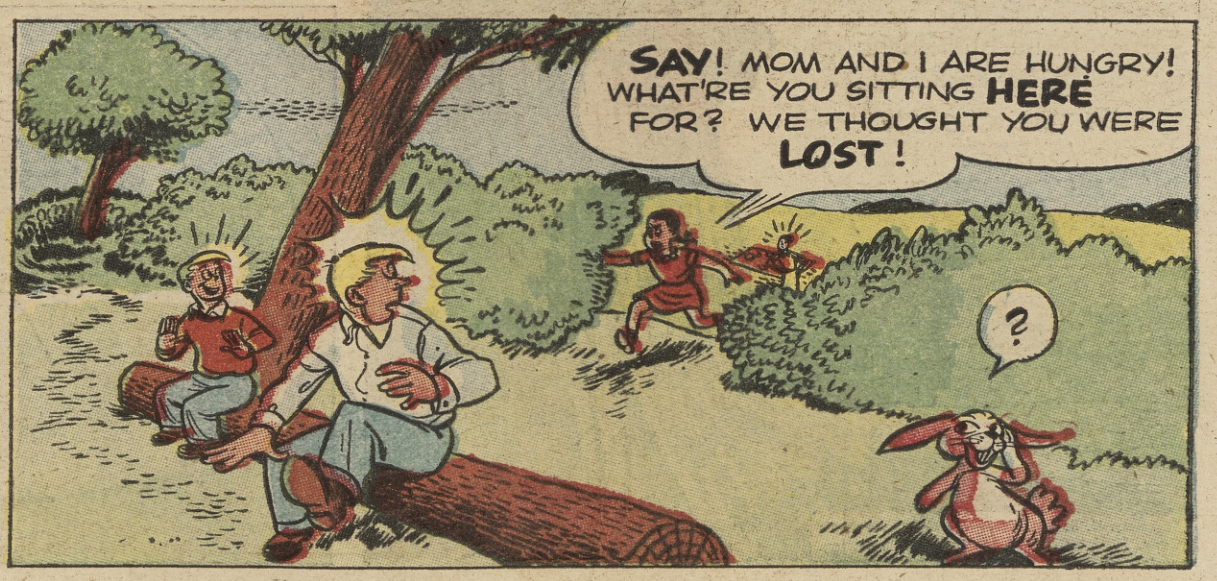
THESE WOODS ARE PRETTY DENSE, POP- WE BETTER NOT GO TOO - FAR -
DON'T BE A CHICKEN, TEDDY- YOUR OLD MAN HAS NEVER GOT LOST YET
McNaught Syndicate, Inc.

ER- IT SEEMS SORT OF LATE, DAD - WE OUGHTA BE GETTING BACK -
LET'S SIT DOWN A MINUTE AND REST, SON -



I'M RESTED NOW - CAN'T WE GO BACK?
I - ER - DIDN'T WANT TO TELL YOU, TEDDY- BUT I HAVE TO GET MY BEARINGS - I'M - - AFRAID WE'RE LOST -

LOST? BUT YOU SAID YOU NEVER GOT LOST!
I KNOW-BUT WE'VE GONE PRETTY FAR AND I DON'T KNOW WHICH WAY TO TURN-



SAY! MOM AND I ARE HUNGRY! WHAT'RE YOU SITTING HERE FOR? WE THOUGHT YOU WERE LOST!
?

STRANGE as it seems

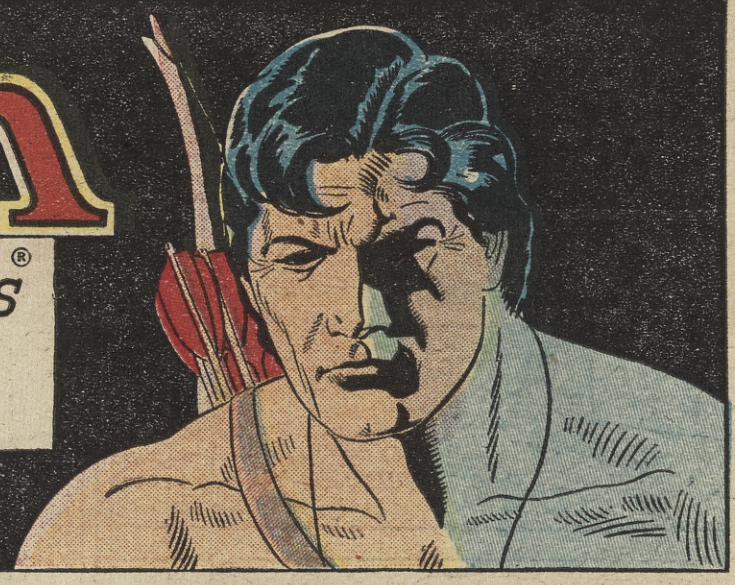
Tarzan

by EDGAR RICE BURROUGHS®



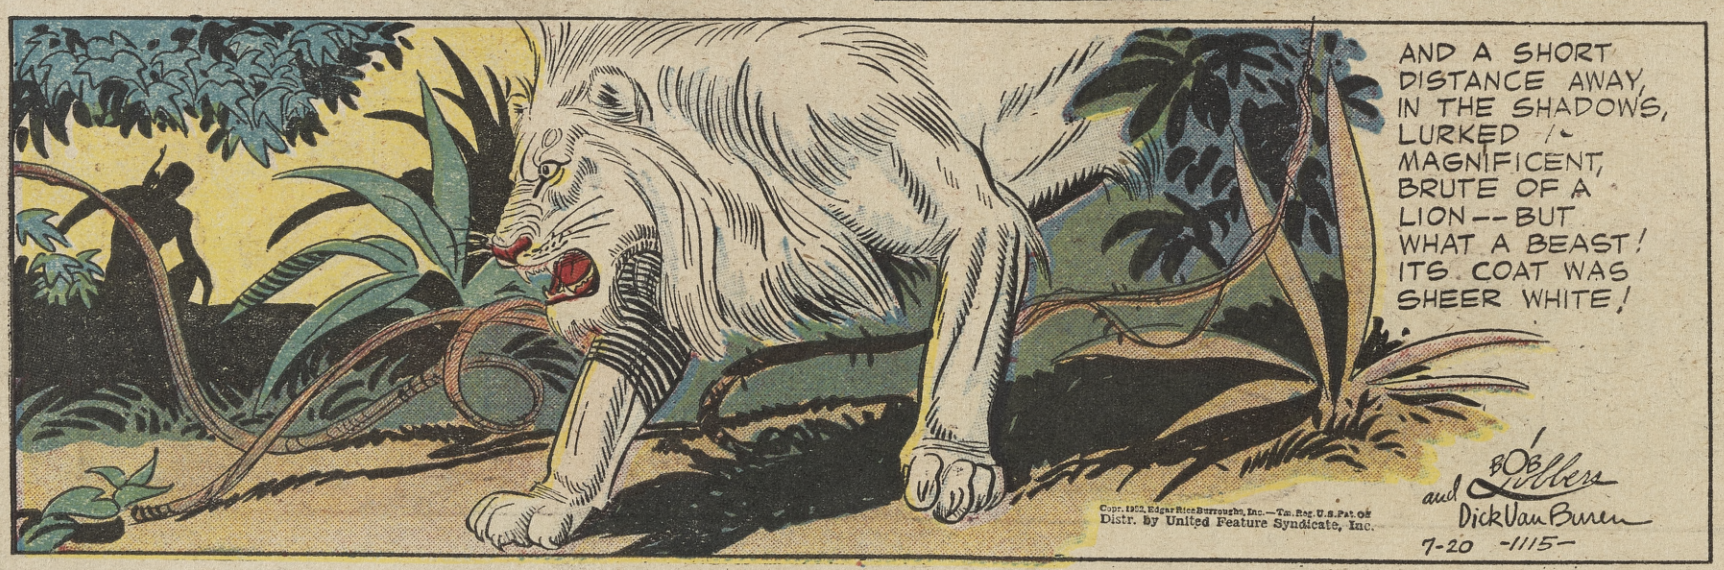
HIS CURIOSITY STIRRED BY THE WITCH DOCTOR'S ACCOUNT OF THE "GHOST LION", TARZAN WAITED IMPATIENTLY FOR DAYLIGHT.

THE NEXT MORNING, TWO HYSTERICAL NATIVES CAME RUNNING TOWARD THE HUT. "WAMBA! WAMBA! THE DEVIL HAS STRUCK AGAIN!"

TREMBLING, THE WARRIORS SHOWED THE APE-MAN THEIR DISCOVERY. "A KILLER LION, NOT A DEVIL, MADE THESE TRACKS," SAID TARZAN GRIMLY. "I'M GOING AFTER HIM!"

RELENTLESSLY, USING HIS KEENEST JUNGLE LORE, TARZAN FOLLOWED THE SPOOR OF THE DEADLY MAN-EATER.

...LATER HE PAUSED, ALERTED. THE SCENT WAS STRONG NOW, AND THE VISIBLE TRAIL FRESH.



AND A SHORT DISTANCE AWAY, IN THE SHADOWS, LURKED A MAGNIFICENT, BRUTE OF A LION -- BUT WHAT A BEAST! ITS COAT WAS SHEER WHITE!
